

## 2010 USGA (United States Golf Association) Rules Seminar

**On Sunday February 28, 2010 from 2:00 p.m. – 4:00p.m.**, EWGA Cleveland is having a **Rules Seminar** taught by a **USGA professional**, at the Brecksville Community Center, One Community Drive, Brecksville, OH 44141. (440) 546-2300. [http://www.brecksville.oh.us/Depts/recreation/gen\\_info.html](http://www.brecksville.oh.us/Depts/recreation/gen_info.html)

The seminar is an overview of the rules sanctioned by the USGA and will cover some of the most common situations we run into while playing. This is a fun way to brush up on some of the rules experienced players already know, as well as a great introduction for someone new to the game. Our instructor will use video and/or slides to illustrate examples of different golf rules.

The instructor is Bill McCarthy, USGA Director, Regional Affairs, Ohio Valley Region; Director, U.S. Amateur Public Links Championship; Director, U.S. Mid-Amateur Championship.

There will be light refreshments served.

**The cost for EWGA-Akron members is \$7.50 per person.**
